

"LEARN
FILMMAKING BY
MAKING FILMS"

10 WEEKS FILM MAKING COURSE

For Beginners in UAE

“

Anyone interested in making films should join this course. After this course you can really write, shoot and edit your own short film.

”

“

Its really exciting to non stop create and shoot scenes with actors. Its just so much fun and learning altogether.

”

“

I have started making short films and getting my movies screened in many international film festivals after this course

”
